## **\*\*\*\*\*Important Dress Rehearsal Information\*\*\*\*\***

Please arrive and be ready to perform 10 min. prior to your scheduled rehearsal time.

All dancers are to wear their costume, tights and all accessories to rehearsal. You will receive instructions from your teacher regarding hair and makeup.

Label dance shoes with your child's name. Shoes are almost always left at the theatre after dress rehearsal. It will be much easier for us to return lost shoes if they are labeled.

Food and drinks are not permitted in the theatre with the exception of water bottles.

Dress rehearsal is treated as serious as the recital. It is the time to work out any kinks that may come along. In order to keep things moving along quickly and smoothly we ask the following:

- There will be designated seating for parents/families during rehearsal time. These are the only area's in which we are allowed to use during this time.
- Please keep siblings and guests quiet and occupied while attending to your performer. Possible silent video games/coloring books etc. will help in this area.
- Please respect the dancers and teachers during their practice times.
- Running in isles or sitting in undesignated areas is NOT permitted.
- All rules must be followed so as not to be asked to be removed from the theatre.

Remember everyone's performance is as important to their family as yours is to you.

Let's work together to support each performance with respect and kindness during rehearsals and shows.

When your child is finished with their rehearsal, you are free to leave. If for any reason you will not be able to attend dress rehearsal please inform your teacher prior to rehearsal date.

If you have any questions, please ask your teacher or Danielle at the front desk.

Thank you.
