

## Norridge Park District Field Rental Policy

All fields must be rented **in advance** to insure use of the field. The Norridge Park District requires the renter to provide proof of insurance prior to renting the field. The Norridge Park District staff will inform the renter of the necessary amount required on a case by case basis.

### What does renting the field include?

Renting the ball field will ensure the customer that the field will be available only to that customer for a specified time frame. If there is a conflict with park patrons on the field they will be asked to leave. Officials are **not included** in any ball field rentals.

Reservations may be cancelled as the Norridge Park District staff sees fit due to weather or any other outside circumstances. Parties will be notified in the event of a weather related cancellation. A 10-day notice is required for all cancellations not due to unforeseeable weather. The deposit will not be refunded without a 10-day notice of cancellation.

At no time should the renter manipulate the field in any way unless previously discussed with the Norridge Park District administration. Prices below are **per hour**. The entire rental fee is due 10 days prior to event.
