I give permission for the Norridge Park District Staff to transport my child in the district's child care busses if attending Giles School. If attending Leigh School, I give permission for the Park District Staff to chaperone my child to the center.

I am aware that the Norridge Park District is not responsible for my child once they are dismissed from school. The Norridge Park District takes responsibility for my child once he/she gets on the Park District's bus and is in the care of the District's Staff Chaperone.
