

PHASE 3 “RESTORE ILLINOIS” FIELD PERMIT ADDENDUM

The Norridge Park District has issued the following guidelines for athletic field usage during “Phase 3” of the Restore Illinois Plan. In Phase 3, youth sports activities are limited to drills, practices, and lessons that do not involve contact and allow for 6-ft of social distancing to be maintained. **No Competitive games are permitted.**

- Be vigilant in preventing the spread of the virus by practicing good hygiene, as recommended by the IDPH and the CDC.
- Ensure no one participates if they are experiencing any symptoms or exposure risks, per IDPH and CDC.
- Face covering should be worn at all times when 6-ft of social distancing cannot be maintained
- Team/Group sizes should be limited to 10 participants or fewer per every one adult and **30-ft of distancing must be maintained between groups.**
- Team/Group should be static, with no mixing of coaches or participants between groups.
- Coaches and participants are encouraged to follow all CDC recommended guidelines and wash hands before arrival and to bring and use their own hand sanitizer.
- Any activities that do not allow for 6-ft of distancing should be suspended.
- Minimize sharing of high-touch equipment between non-household individuals.
- Sanitize shared equipment prior to practice and during use (e.g.: between drills) and encourage frequent hand sanitizing
- Place personal items 6-ft from other player’s items to avoid any contact
- We encourage staggered activity start and end times to minimize contact between teams or groups.
- No team/group meetings and no “high fives”, fist bumps, or handshakes.
- Suspend any form of group snacks (no seeds, no gum chewing, no spitting)
- Dugouts are closed and bleacher seating is unavailable
- No public restrooms, drinking fountains or concessions will be available
- Encourage participants to take trash out of the park with them

Please discourage spectators at this time and encourage them to remain in their car

On behalf of my organization, I have read, understand, and agree to have my organization and its participants comply with the regulations in this addendum. Failure to comply with these regulations may result in having field permit revoked for the duration of the season without a refund. We are working through this together and appreciate your assistance so that everyone can stay safe and have fun.
